

Dear WagsInn Canine Charity Paws Supporter,

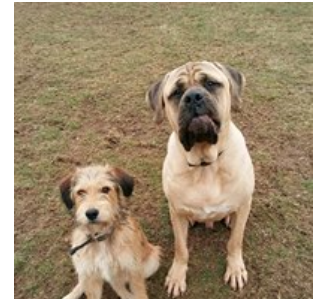

We'd like you to meet a few of the sweet, furry faces you helped in 2016 -

Lucy, a Golden mix whose family could not take her when they were forced to move. **Adopted!!**
Lucie and Louie, two Beagles found in the river on a cold wintery day. **Adopted together!!**
Peanut, a Poodle mix found abandoned along with many other pets in a flooded home. **Adopted**
Bolt, a white Husky mix chained to a tree and left to die with a severe case of kennel cough. **Adopted!**

- And that's just a few of the dogs that we were able to rescue because YOU HELPED!

With your generous support, WagsInn Canine Charities has placed more than **300** dogs in forever homes since 2012. It takes substantial funds to care for these poor lost souls and canines-in-need. Expenses exceeded **\$40,000** last year in just vet bills, dog food and monthly heartworm/flea & tick treatment alone!

Now, we don't mean to **HOUND** you, but we're far from slowing down. Requests to take in a rescue or help place a dog in a home where they will be loved forever come to us every day. The average minimum cost for an initial intake is **\$300**, so you can imagine how quickly the expenses add up. That's why we need to continue to raise additional **PROCEEDS for our POOCHES!**

Please ensure that we can continue to take care of all the dogs that come to WagsInn in hopes of finding their way to a forever family. With your donation, you can help us put more goofy grins and wagging tails on dogs that need us --- that need **YOU!**

This month, we are kicking off our:

2017 Please "Paws" for a Cause Campaign!

Any size donation will help offset the expenses incurred to feed, vet, and prepare these dogs for their forever homes.

The WagsInn Canine Charities Board would like to say thank you for your generous support, Lori Houseman, Diana Sebaly, Tiffany Ebersold, BarbHaley and Lori Wolcott
